## ORDERING OF SPARE PARTS:

Sale of spare parts for our mixers is attended by our spare part department. When ordering spare parts, the following information must be given:

1. Type of machine
2. Number of the machine
3. Article number of the spare part in question. (Order no.)
4. Method of conveyance

If one of the above pieces of information is missing, please contact our spare part department before placing the order, as then we can assist you in finding the correct article number (order no.) of the spare part in question.

A few spare parts are not sold alone, in such cases reference is made at the pos.number to the assembly number to be used for ordering. The assembly numbers are shown on the relevant pages.

Returning of spare parts is only  
allowed when agreed with  
Varimixer A/S
