Get more done - With ergonomic mixers

Time is crucial in a contemporary kitchen, which is why Varimixer empowers you to multitask and work more efficiently. Varimixer's ERGO 60, 100, and 140-liter models can be equipped with a VL-5 Control Panel that allows users to schedule the production of up to 20 programmable recipes, such as doughs, creams, and mayonnaise. The display also enables users to control the mixer and adjust the bowl height, ensuring ergonomic and efficient working positions.
