Video: Varimixer SoMe - Ergonomic - Keep your employees safe

Keep employees safe with ergonomic mixers

Safety is a non-negotiable priority in any kitchen, and at Varimixer, we take it seriously! That's why our AR mixers come equipped with a detachable safety guard that's engineered to perfection. The easy-to-remove safety guard is held in place by magnets, which doubles as a safety switch. This is just one of the many reasons why users as well as kitchen managers love their Varimixers. Learn more at <https://varimixer.com/work-safety/>
