Video: Varimixer SoMe - Hygiene - Keep Customers Safe

Care for your guests with hygienic mixers

Choosing the right equipment is key to food safety! All Varimixers are engineered with easy-to-clean surfaces and no external screws or openings. This simplifies the cleaning process, making it a breeze for kitchen professionals. We take take pride in being the world's first manufacturer to produce mixers crafted entirely from easy-to-clean stainless steel. This includes the bowl, wire whip, beater, dough hook, and scraper. By doing so, we elevate not only hygiene but also the overall durability of our mixers. Learn more at www.varimixer.com
