Video: Varimixer SoMe - Rebild Bakker - US - Denmark relations

As a Danish company and part of the Middleby Corporation, Varimixer has strong ties to the United States. Our two countries have had strong relations for centuries and every year this relationship is celebrated in Denmark at The Rebild Festival. The event is the largest celebration of Independence Day outside the USA and it was first held in 1912, only three years before Varimixer was founded. During this years festivities Varimixer is sponsoring three state flags:

- ILLINOIS, where the Middleby headquarter is located
- OHIO, where our US distributor Globe is located
- TEXAS, where the Middleby Innovation Kitchen and the Bakery Innovation Center is located

Happy 4th of July!
