**Video:** Varimixer SoMe 80 year in service

What is the expected service life of a “normal” professional mixer? 5, 10, 15 years? After more than 80 years of faithful service – and a few facelifts – this old Varimixer cream whipper still runs impeccably and flawlessly at Denmark’s oldest and most famous patisserie “Conditori La Glace”. The black/white photo is from our 100 year anniversary book. Dive into Varimixer’s history at [www.varimixer.com](http://www.varimixer.com)
