Video: Varimixer SoMe B-Equipment

Why buy several mixers when you can get a flexible 2-in-1 machine? With Varimixer B-equipment, you can turn a 100L mixer into a 60L or 40L machine. Super practical and time-saving when you need to make a large portion of dough and a smaller portion of cream or icing for the same end-product. B-equipment is available for most Varimixer models and includes bowl plus matching hook, whip, beater and (optional) scraper. Learn more at www.varimixer.com.
