Video: Varimixer SoMe - AR - Scraper makes less food waste

Food waste has become a global problem. It's estimated that we waste about a third of all food produced for human consumption. As the manager of a commercial kitchen, there are many things you can do to reduce waste. For example, always use a mixer with a scraper to avoid residual product in the bowl. It also makes cleaning easier. Learn more at <https://varimixer.com/produkt/ar/>
