Video: Varimixer SoMe - Test your knowledge - medium sized restaurants

Varimixers are recognized worldwide for their quality and durability. Depending on your restaurant's food specialties and required batch sizes, we offer a range of mixer options. From compact countertop models to heavy-duty floor mixers that can handle thicker substances and larger volumes.

Which of these mixers is ideal for medium sized restaurants? ERGO, AR or KODIAK?

Write your suggestion in the comment field.

This guide will help you specify the right model:
